WINTER 2025

THANK YOU

MESSAGE FROM THE CEO

Happy New Year!

2024 was a busy year for the team at River Valley Credit Union as we implemented a new computer system to provide improved service for our valued members. There were some stumbles along the way but there has also been continuous improvement. We sincerely appreciate the patience and grace you've extended to us as we have completed this transition.

We've continued to add to our growing team, both in Ames and Nevada. If you haven't been to one of our branches recently, we invite you to stop by. You'll be greeted by some new faces, as well as the team members you've had the opportunity to get to know well, throughout the years.

We are also proud to have expanded our field of membership to a total of 14 counties in Central Iowa. We are excited to offer River Valley Credit Union services to individuals living or working in Boone, Butler, Dallas, Franklin, Hamilton, Hardin, Jasper, Marion, Marshall, Polk, Story, Warren, Webster, and Wright counties.

Thanks to the trust you have placed in the Credit Union, we have grown to over \$109 million in total assets, serving 6,695 members. As we continue to grow, we gain additional resources and systems which may be leveraged into greater value for our member-owners. If there are further ways we can serve you, please let us know.

We hope that you have a safe, and Happy New Year. Thank you for your membership!
